## General Guidelines and Documents

### For Testate Estates (with Last Will and Testament)

Applicants named Executor in a Decedent's Will may E-File forms to administer the estate.

**E-File users must follow the steps to submit the original Will to Probate Court outlined on page 8. As of 6/16/2021 Wills may also be presented in person at the Clerk's Office, Rm. 119 at Court.**

E-Filed Applications to Probate Will (Form 2.0) will be set for hearing fourteen (14) calendar days from the date the Application is accepted. The original Will must be received by the fourteenth day or the Application to Probate Will and Application to Administer may be dismissed.

Only after the original Will is received, and admitted, will the Court proceed to review Applications to Administer the Estate (Form 4.0) and appoint an Executor or Administrator.

The Probate Court will index its database of Wills on Deposit for all new filings, prior to any appointment. When a later-dated Will on deposit is found to match with a decedent, the Court will notify the applicant of the following additional proceedings:

- If the applicant intends to continue to pursue the admission of a latest-dated Will located at the Court, she/he may be required to file an amended Application to Probate Will (Form 2.0) for the latest-dated Will, including an updated Form 1.0 as details of the Will require.

The Court may require additional waivers, hearings, and notice of hearing to interested parties for Wills presented for probate and Applications to Administer:

- For hearings on the appointment of an Executor or Administrator, Applicants must send Notice and Citation of Hearing on Appointment of Fiduciary (Form 4.4) per O.R.C. 2113.06 and 2113.07, or file Waivers of Right to Administer (Form 4.3) from interested parties.

In certain instances, applicants may be required to post a fiduciary's bond in accordance with law.

## For Intestate Estates (no Will)

Applicants E-Filing forms to become an Administrator of a Decedent's estate may be required to attend a hearing on the Application for appointment.

- For hearings on the appointment of an Executor or Administrator, Applicants must send Notice and Citation of Hearing on Appointment of Fiduciary (Form 4.4) per O.R.C. 2113.06 and 2113.07, or file Waivers of Right to Administer (Form 4.3) from interested parties.

The Probate Court will index its database of Wills on Deposit for all new filings, prior to an appointment. When a Will on deposit is found to match with a decedent, the applicant will be notified and may file an Application to Probate Will (Form 2.0) or withdraw the Application to Administer, in order to allow the Executor named in the Will to petition to administer the decedent's estate.

Applicants may be required to attend subsequent hearings, submit additional documents, and post a fiduciary's bond in accordance with law.

## Forms for Estate Filings

The Probate Court web pages list Ohio Supreme Court standard probate forms and additional documents accepted by the Cuyahoga County Probate Court in the administration of estates.

Navigate to the website forms, here: [Forms>Estate Forms](#)

Web address: <https://probate.cuyahogacounty.us/estforms.aspx>

## Document Preparation and Signatures

Forms downloaded from the Court's web pages are fillable PDFs and **MUST be typed** complete with signatures. Handwritten forms will not be accepted.

- 3) As an electronically signed or captured signature using software with audit tracking capability (e.g., DocuSign, RightSignature, Adobe Sign).

Note: The audit track is not required with submission for forms or pleadings but must be presented if requested by a hearing officer reviewing the document.

**Exception: Waivers may NOT be submitted using the E-Signature format. See details below.**

## Preparation and Submission of Waivers

Signed waivers for Estate pleadings may be submitted to E-File using the following methods:

- 1) As scanned PDF copies with original ink signatures, or
- 2) As electronically signed PDF copies, using signature capture software which includes audit tracking capability (e.g., DocuSign, RightSignature, Adobe Sign).

Submit electronically signed waivers and attach to each its audit track in the same PDF file, behind the waiver form.

Waivers submitted without an audit track will be rejected. Electronically signed waivers may be subject to further review by hearing officers.

## Information about Filing Original and Additional Bonds

The Probate Court may order a fiduciary's bond be posted by Executors or Administrators prior to appointment. Additional bonds may be ordered any time after an original bond has been posted.

All original notarized hard-copy bonds must be filed within thirty (30) days of the order and before letters of Executor or Administrator will be issued.
